Re: CG Docket - 02-278; DA 05-1346, Telephone Consumer Protection Act

FCC - MAILROOM

I have elected to comment on Docket No. 02-278, a Petition for Declaratory Ruling asking the Commission to preempt certain sections of the Wisconsin Statutes and Wisconsin Administrative Code as it applied to interstate telephone calls.

I understand that I am making a public filing. Any information that I submit will be available to the general public.

My Comment to the FCC

Please Keep The Wisconsin No-Call
List. I do not like being bothered
by telemarketers. I don't purchase
anything over the phone & have
no intentions to start.

Thank you

Attn: Over-riding Wisc. No-call law

To Whom It May Concern:

I have been told that the FCC is working on rules that would overrule the Wisconsin "Do Not Call" list and replace it with a less restrictive - more "business friendly" federal statute.

This is ridiculous. Whatever happened to local control? The Federal Government which is run by Republicans and controlled by Big Business could care less about consumers. As long as the Republican donors are happy, go ahead and sacrifice the consumers and the little guy. Big business has enough power. They don't need the Federal Government to do their dirty work as well.

Leave us alone in Wisconsin. We have a law that serves the people well and we are very satisfied with it. Do not touch the Wisconsin "Do Not Call" law.

Very sincerely,
